

Explore what is possible

with Salesforce and ASU

Salesforce is hosting a networking event for ASU students interested in launching a career in Tech.

**All majors are welcome to attend!**

**Help your student prepare in advance!**

1. Register in advance.
2. Research Salesforce and learn about their services and goals.
3. Prepare your resume with resources here.
4. Practice your powerful introduction.
5. Prepare your online networking profiles.
